Curiosidades

To make himself look like an average out of shape middle aged man [Tom Hanks](#) didn't exercise and allowed himself to grow pudgy. Production was then halted for a year so he could lose fifty pounds and grow out his hair for his time spent on the deserted island. During this hiatus, [Robert Zemeckis](#) used the same crew to film [Lo que la verdad esconde \(2000\)](#).

Pifias

When the plane is going down, Chuck watches the ocean's surface approach through the pilots' windshield. When the plane strikes the water, he is thrown backward into the cargo area. In reality, he would have been flung forward, into the cockpit, and likely would have died from the impact. >

Citas

[Chuck Noland](#): We both had done the math. Kelly added it all up and... knew she had to let me go. I added it up, and knew that I had... lost her. 'cos I was never gonna get off that island. I was gonna die there, totally alone. I was gonna get sick, or get injured or something. The only choice I had, the only thing I could control was when, and how, and where it was going to happen. So... I made a rope and I went up to the summit, to hang myself. I had to test it, you know? Of course. You know me. And the weight of the log, snapped the limb of the tree, so I - I - , I couldn't even kill myself the way I wanted to. I had power over *nothing*. And that's when this feeling came over me like a warm blanket. I knew, somehow, that I had to stay alive. Somehow. I had to keep breathing. Even though there was no reason to hope. And all my logic said that I would never see this place again. So that's what I did. I stayed alive. I kept breathing. And one day my logic was proven all wrong because the tide came in, and gave me a sail. And now, here I am. I'm back. In >

I was deeply touched

*****This may contain spoilers*****

It's a superb,well directed and well acted movie!Well done,Hanks!!!

I'm a Hanks fan!!!!I really appreciate his outstanding performance.I consider him a genius in acting.He never just acts.However,he gives life to his characters ,and makes himself exactly what they are.Forrest Gump,Saving Private Ryan,The Terminal,The Da Vinci Code,including this movie are all my favorites.I'm always deeply touched by his movies.And they often make me cry,make me think,and make me understand more about life and love.Cast Away is without exception.

I was moved by Chuck's spirits. His imagination(he names a volleyball Wilson and talks with him as a friend),his perseverance toward love,and his courage to face problems,all these enable him to survive and finally return to his homeland.
